

*With our policy holders we are engaged in a great mutual enterprise.
It is great because it seeks to prevent crippling injuries and death by removing
the causes of home, highway, and work accidents. It is great because it deals in the
relief of pain and sorrow and fear and loss. It is great because it works to
preserve and protect the things people earn and build and own and cherish.
Its true greatness will be measured by our power to
help people live safer, more secure lives.*
